Students will continue to refine their knowledge and skills using a variety of media. Units of study include Japanese Art, Surrealism, and Nature Studies, among many others. Students will create art for community events including Ghost Walk and Veteran's Day. Students will help create the set design for Poly Theater Arts and Choir performances, as well as participate in art contests and go on field trips. This class is taught in a relaxed environment and students are encouraged to explore art mediums that are of interest to them. Please consider taking this course! You don't have to be an amazing artist - you only have to have taken and passed Art Design 1,2.
